Health Care for the Homeless

421 Fallsway

Baltimore, MD 21202

410-837-5533

730 AM – 5 PM Mon, Tues, Wed, Fri

730 AM- 12 noon Thursday

830 AM – 5 PM Saturday

Clinical services: The Mental Health and Case Management Team is comprised of psychiatrists, licensed social workers, licensed professional counselors, psychiatric nurse practitioners and administrative support staff. Collectively, the team delivers the following mental health services:

Crisis intervention

Ongoing therapy and outpatient treatment

Psychiatric services

Case management and care coordination

Access to supportive housing

Referrals to other internal and external services, as appropriate

Clinical and support groups: Our mental health therapists and other clinical staff facilitate a range of groups to promote overall physical and psychological wellness. Group topics include dual diagnosis, men's and women's peer support, stress reduction, life skills, acupuncture, writing, and art.
